ABOUT US

Bakr Group is a full service-consulting firm offering a wide array of project management services since 1999. We bring owners, architects, engineers, contractors, and all project related consultants together in a partnership to complete successful projects on time and within budget. Based in the greater Sarasota area, Florida, Bakr Group has projects throughout Florida, but has also worked with clients in Buffalo, New York and Atlanta, Georgia.

Our main objective is to provide exceptional, professional, personalized services to our clients by evaluating their goals, needs, and concerns; then implement comprehensive tools, skills, and experiences to meet their goals. We are committed to providing quality, high functional and cost effective services.

We have earned our solid reputations by being true owners' representatives whereby their interests become ours.
